

GAP Certification Assistance and Resources

- 2017 GAP Audit Cost-share: \$400/ per farm cap – instructions / form on partner producer webpage
- Audit upload and assistance navigating through Azzule Supply Chain Program
- GAP resources available from LFH
 - Partner producer webpage contains several resources for new and renewing operations – including checklists, forms, and how to request an audit
 - Template manual and resources (ex. SOP and record templates, water test kits, GAP worker training DVD's) are available by request – contact Alyssa
- GAP technical assistance needs and questions will be routed to Amber Vallotton, VT Fresh Produce Food Safety Team Coordinator, who will work with local extension agents to offer assistance.

Amber D. Vallotton, M.S.
Fresh Produce Food Safety Team Coordinator & Extension Specialist
