COMMUNITY FOOD AWARDS

FALL 2022

Local Food Hub works to build a world in which everyone, regardless of address or income, has equitable access to fresh, locally-grown food and in which independently-owned, local farms are a central food source for the community. We believe that the people growing food with care for the earth should be able to thrive, and that good food is a right, not a privilege.

Our mission is to advance equitable access to fresh food, independent farms, and fairness in farming.

Food From Our Farms is our annual ticketed event, featuring food stations with small plates prepared by area chefs utilizing local ingredients. The Community Food Awards is our annual free and family-friendly event, featuring awards for our community partners and Virginia farmers.

Your sponsorship will directly support this important work, while getting your organization in front of hundreds of community members who care deeply about health, food access, local food, and small farms.
